Herbal

We are the manufacturer of "Personal Care Products" like Shampoo, Hair Oil, Soaps, Lotions, Scrubs & Packs etc. We awarded by Govt. of India Khadi & Village Industry Commission. We also certified with a various certification like ISO 9001:2008, GMP and Organic Certified (Germany). We also offer "Third Party Manufacturing" for our customers. This facility can be done as per our customer specification & their given formulations. We have our own Research & Development center with the latest equipment.

Currently, we are exporting our products to many countries. Our main region of exports is European Union, the Russian Federation, and Asian Countries.

Everyday Herbal is involved in the very strategic procurement of a huge selection of organic ingredients for its entire range of personal care, spa, massage and aromatherapy applications.

Organic ingredients are carefully selected for their quality and properties in skin, hair and complete beauty treatments. The range of ingredients sourced include therapeutic essential oils, berry seed oils, and some oils from the tropical rainforests of the Amazon. Majority of the herbs used are sourced from organic farms in tropical and subtropical regions of India and other countries.

Our production plant of over 34,000 sq. ft. has been designed to cover the entire life process of our products, from research and development up to production and release. One of the basic principles behind Everyday Herbal Beauty Care is compliance with environmental regulations.

Company Profile

Everyday Herbal Beauty Care is "Personal Care Products" Manufacturing company since 2005. It was set up by Mr. Rajesh Shah in 2004 Samakhiali village in KUTCH district of India. "KHADI" took form as a part of the freedom struggle to revive village industries, under the leadership and encouragement of Mahatma Gandhi, to provide them with the where withal to make their own basic needs for a comfortable life. Now, "KHADI" conjures a vision of villages that stand independent all over India, as a sincere effort to make villagers wholly self-sufficient. Pure, basic goodness and a gift of nature. It is in a manner - the essence of India.

Everyday Herbal Beauty Care is not only a Cosmetic manufacturing company. It is a philosophy. A symbol of empowerment, self-dependence, pride of history, Mahatma Gandhi's vision of the relevance of roots in combination with the Traditional Science of Indian Ayurveda and Modern Technological Science. Currently we manufacture over 200 + herbal products. We have completed the R&D of more than 350 Herbal products and they are ready for manufacture. Our manufacturing unit does not produce any toxic & harmful products.

Through the years Everyday Herbal Beauty Care keenly work towards mastering the art of research & innovation oriented approach in developing formulation for our esteemed customers. We offer comprehensive product portfolios in cosmetic formulations covering all major segments; solution-driven products in Face Care, Skin Care, Bath & Body, Hair Care and many more. The laboratories at Everyday Herbal are dedicated to innovation in products, services and methodologies and foster the development of unique products & packaging.
