Who We Are?

EVERYDAY HERBAL BEAUTY CARE is “Personal Care Products” manufacturing company established in 2004 by Mr. Rajesh Shah at Samakhiyali village in Kutch district of Gujarat. Our premises expand over 33215 sq. feet area and our unit awarded by Govt. of India "Khadi & Village Industry Commission" (KVIC). We also certified with various certification like ISO 9001:2008, G.M.P. and Ecocert.

In combination with the Traditional Science of Indian Ayurveda and Modern Technological Science. Currently we manufacture over 200 + herbal products. We have completed the R&D of more than 350 Herbal products and they are ready for manufacture. Our manufacturing unit does not produce any toxic & harmful products.

We have four major brands and each brand has different products like Shampoo, Hair Oil, Soaps, Lotions, Scrubs & Packs etc. These products has their own advantages and its available in different variety and different sizes.

We also offer contract manufacturing as “Private Labeling Job Work” for our customers. This facility can be done as per our customer specification & their given formulations. We have our own Research & Development center with latest equipments.

Currently we are exporting our products in many countries. Our main regions of exports are European Union, Russian Federation and Asian Countries.

Director Massage

Through the years Everyday Herbal Beauty Care keenly work towards mastering the art of research & innovation oriented approach in developing formulations for our esteemed customers. We offer comprehensive product portfolios in cosmetic formulations covering all major segments; solution-driven products in Face Care, Skin Care, Bath & Body, Hair Care and many more.

The laboratories at Everyday Herbal are dedicated to innovation in products, services and methodologies and foster the development of unique products & packaging.

In our indefatigable efforts towards enhancing the well-being of people and communities around the globe, we have indigenously developed number of umbrella technologies with enhanced enhance product's efficacy, convenience & minimizing the side effects.

Good corporate governance is fundamental to EHBC' business ethics. We follow the highest standards of transparency, accountability, professionalism, social responsiveness and ethical business practices as a self discipline code for corporate governance.

We make our best endeavor to contribute in the dynamic Cosmetic industry; channelize the energy, leveraging our collective strength to bring change & discover new pathways by sharing ideas, communicating, collaborating to bring advancement.

Rajesh Shah
